Honey CARE & GUARANTEE

Honey Fashion Accessories believes in allergy-safe products, thus ensuring the well-being of sensitive skin. Honey jewellery is expertly electro-plated with precious metals to ensure we can provide you with an enduring high-quality product. All plating and base metals are nickel free and in most cases lead-free and cadmium free. You should not expect to wear our products the same as you would fine jewellery.

Pierced earrings come with a clutch stabiliser for comfort and security. Clip earrings feature comfortable clips. Neckware and bracelet lengths as stated in this catalogue include the clasp in the measurements, and may vary slightly between 0,5 and 1cm. Most of our neckware includes an extender – additional extenders may be available to purchase. Honey handbags can be cleaned with a soft damp cloth and dried immediately. Detergents should not be used. Honey handbags come with a protective dust cover for storage between use.

OUR QUALITY GUARANTEE

We believe so emphatically in our product that we accept full responsibility for it. We endeavour to maintain the highest quality of every Honey product by using a special Honey Quality Audit System. Where a product is identified as having a manufacturing default, we will gladly exchange or replace your purchase, provided the product has not been damaged as a result of excessive wear, impact, negligence, tampering or non-adherence to cleaning and care instructions.

Exchanges or replacements shall be at the discretion of Honey's Quality Audit practitioners. Please return the item for exchange or replacement, with proof of purchase and original packaging to our distributors within 28 days of purchase.

If you wish, you may increase, reduce or change your order, provided it is done within 7 days from the date on which the order was placed.

PLEASE NOTE: Honey cannot be held responsible for the acidity of your skin.
